ABOUT THE FUND

The Fund seeks to grow your capital and generate income by investing primarily in regulated UCITS and non-UCITS funds which have as investment objective to invest in alternative strategies such as but not limited to Equity Long Short, Equity Market Neutral, Fixed Income Arbitrage, Global Macro, Commodity Trading Advisor (trend followers).

The non-UCITS funds will have an investment policy and a risk exposure similar to the UCITS funds and will be submitted to a regulatory supervision equivalent to a UCITS.

The Fund is actively managed and will provide a diversified source of return by undertaking a careful manager selection in order to decrease the risk described in normal market conditions. The Fund will also invest in eligible closed ended UCIs which are listed or dealt on a regulated market.

The Fund is not managed in reference to a benchmark.

Since launch. Source of data: UBP. Exchange rate fluctuations can have a positive or a negative impact on performance. Past performance is not a reliable indicator of future results. The value of investments can fall as well as rise. Past performance figures are stated in the currency of the share class and calculated with dividends reinvested; they are free of ongoing charges. The calculation does not take into account sales commissions and other fees, taxes and applicable costs to be paid by the investor. For example, with an investment of EUR 100, the actual investment would amount to EUR 99 in the case of an entrance fee of 1%. At investor level, additional costs may also be incurred (e. g. front-end load or custody fee charged by the financial intermediary).
