DISCLAIMER

This is a marketing document and is intended for informational and/or marketing purposes only. It is intended to be used only by the person(s) to whom it was delivered. It may not be reproduced (in whole or in part) or delivered, given, sent or in any other way made accessible, to any other person without the prior written approval of Union Bancaire Privée, UBP SA or any entity of the UBP Group (UBP). This document reflects the opinion of UBP as of the date of issue. This document is for distribution only to persons who are Professional clients in Switzerland or Professional clients or an equivalent category of investor as defined by the relevant laws (all such persons together being referred to as "Relevant Persons"). This document is directed only to Relevant Persons and must not be acted on or relied on by persons who are not Relevant Persons. It is not intended for distribution, publication, or use, in whole or in part, in any jurisdiction where such distribution, publication, or use would be unlawful, nor is it directed at any person or entity at which it would be unlawful to direct such a document. In particular, this document may not be distributed in the United States of America and/or to US persons (including US citizens residing outside the United States of America). This document has not been produced by UBP's financial analysts and is not to be considered financial research. It is not subject to any guidelines on financial research and independence of financial analysis. Reasonable efforts have been made to ensure that the content of this document is based on information and data obtained from reliable sources. However, UBP has not verified the information from third sources in this document and does not guarantee its accuracy or completeness. UBP makes no representations, provides no warranty and gives no undertaking, express or implied, regarding any of the information, projections or opinions contained herein, nor does it accept any liability whatsoever for any errors, omissions or misstatements. The information contained herein is subject to change without prior notice. UBP gives no undertaking to update this document or to correct any inaccuracies in it which may become apparent. This document may refer to the past performance of investment interests. Past performance is not a guide to current or future results. The value of investment interests can fall as well as rise. Any capital invested may be at risk and investors may not get back some or all of their original capital. Any performance data included in this document does not take into account fees, commissions, and expenses charged on issuance and redemption of securities, nor any taxes that may be levied. Changes in exchange rates may cause increases or decreases in investors' returns. All statements other than statements of historical fact in this document are "forward-looking statements". Forward-looking statements do not guarantee future performances. The financial projections included in this document do not constitute forecasts or budgets; they are purely illustrative examples based on a series of current expectations and assumptions which may not eventuate. The actual performance, results, financial condition and prospects of an investment interest may differ materially from those expressed or implied by the forward-looking statements in this document as the projected or targeted returns are inherently subject to significant economic, market and other uncertainties that may adversely affect performance. UBP also disclaims any obligation to update forward-looking statements, as a result of new information, future events or otherwise. The contents of this document should not be construed as any form of advice or recommendation to purchase or sell any security or funds. It does not replace a prospectus or any other legal documents, which can be obtained free of charge from the registered office of a fund or from UBP. The opinions herein do not take into account individual investors' circumstances, objectives, or needs. Each investor must make their own independent decision regarding any securities or financial instruments mentioned herein and should independently determine the merits or suitability of any investment. In addition, the tax treatment of any investment in the fund(s) mentioned herein depends on each individual investor's circumstances. Investors are invited to carefully read the risk warnings and the regulations set out in the prospectus or other legal documents and are advised to seek professional counsel from their financial, legal and tax advisors. The tax treatment of any investment in a Fund depends on the investor's individual circumstances and may be subject to change in the future. This document should not be deemed an offer nor a solicitation to buy, subscribe to, or sell any currency, funds, products, or financial instruments, to make any investment, or to participate in any particular trading strategy in any jurisdiction where such an offer or solicitation would not be authorised, or to any person to whom it would be unlawful to make such an offer or solicitation. Pursuant to Regulation (EU) 2019/2088 of the European Parliament and of the Council of 27 November 2019 on sustainability-related disclosures in the financial services sector (the "Disclosures Regulation" or "SFDR"), funds are required to make certain disclosures. Funds falling under the scope of Article 6 of the SFDR are those which have been deemed not to pursue an investment approach that explicitly promotes environmental or social characteristics or has sustainable investment as their objective. The investments underlying this financial product do not take into account the EU criteria for environmentally sustainable economic activities. Notwithstanding this classification, the Investment Managers may take account of certain sustainability risks as further described in the fund's prospectus. Funds falling under the scope of Articles 8 or 9 of the SFDR are those subject to sustainability risks within the meaning of the SFDR. The sustainability risks and principal adverse impacts as stipulated in the SFDR are described in the prospectus. In addition, unless otherwise specified, all funds apply the UBP Responsible Investment policy, which is available on <https://www.ubp.com/en/investment-expertise/responsible-investment>

UBP relies on information and data collected from ESG third party data providers which may prove to be incorrect or incomplete. Although UBP applies a proven selection process of such third-party providers, its processes and proprietary ESG methodology may not necessarily capture appropriately the ESG risks. Indeed, data related to sustainability risks or PAI are today either not available or not yet systematically and fully disclosed by issuers, may be incomplete and may follow various methodologies. Most of the ESG factors information is based on historical data that they may not reflect the future ESG performance or risks of the investments. ESG information providers: Although Union Bancaire Privée, UBP SA, ESG information providers (the "ESG Parties") obtain information from sources they consider reliable, none of the ESG Parties warrants or guarantees the originality, accuracy and/or completeness of any data herein. None of the ESG Parties makes any express or implied warranties of any kind, and the ESG Parties hereby expressly disclaim all warranties of merchantability and fitness for a particular purpose, with respect to any data herein. None of the ESG Parties shall have any liability for any errors or omissions in connection with any data herein. Further, without limiting any of the foregoing, in no event shall any of the ESG Parties have any liability for any direct, indirect, special, punitive, consequential or any other damages (including lost profits) even if notified of the possibility of such damages.
