Pursuant to Regulation (EU) 2019/2088 of the European Parliament and of the Council of 27 November 2019 on sustainability-related disclosures in the financial services sector (the "Disclosures Regulation" or "SFDR"), funds are required to make certain disclosures. Funds falling under the scope of Article 6 of the SFDR are those which have been deemed not to pursue an investment approach that explicitly promotes environmental or social characteristics or has sustainable investment as their objective. The investments underlying this financial product do not take into account the EU criteria for environmentally sustainable economic activities. Notwithstanding this classification, the Investment Managers may take account of certain sustainability risks as further described in the fund's prospectus. Funds falling under the scope of Articles 8 or 9 of the SFDR are those subject to sustainability risks within the meaning of the SFDR. The sustainability risks and principal adverse impacts as stipulated in the SFDR are described in the prospectus. In addition, unless otherwise specified, all funds apply the UBP Responsible Investment Policy, which is available on <https://www.ubp.com/en/investment-expertise/responsible-investment>.
